

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like offering products which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and requirements along with their understanding of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

The staffs at TREK and their dealer-partners are strongly dedicated to having both technical support and parts obtainable when it is required. Their high service commitment is amongst the core values in their customer service. Keeping their customers' cleaning machinery ready and functioning daily is top priority. The company's top of the line technology delivers dependable equipment which ultimately lessens your cost of cleaning. The product, the price and the service all work as one to make them an industry leader.
